

Local Government Service

Scheme of Service

Supplementary

This document has been developed and approved by Local Government Service Council and Ministry of Local Government and Rural Development. It is a legal document binding on persons serving in the Local Government Service.

We are grateful to all stakeholders who contributed in diverse ways towards the development of this Scheme of Service.

SCHEME OF SERVICE FOR THE LOCAL GOVERNMENT SERVICE

INTRODUCTION

The Scheme of Service is a management tool crafted to provide a coherent framework to facilitate the recruitment, development and career progression of the staff of the Local Government Service. The relevance of such a document is so critical in the evolution of the Local Government Service, as a distinct public service organization in Ghana, in compliance with the provisions of the Local Government Service Act, 2003 (Act 656). The purpose of the Scheme of Service is to provide the Service with a policy guideline which will ensure that all staff are highly motivated, disciplined, equipped and loyal with the relevant knowledge skills and attitude.

PURPOSE OF THE SCHEME OF SERVICE

The Scheme of Service defines or contains:

- the objectives of the job position and responsibilities;
- grade levels and corresponding salary ranges;
- summary of the degree of responsibility and the duties of the job for each level; and
- conditions for entry and progression through each grade within the relevant cadre.

This includes:

- qualifications;
- minimum periods of service required for each grade;
- detailed job training and required experience;
- procedure for promotion and class transfers; and
- framework for career development, management and succession planning.
